

## Who can make a request, and how do you do that?

Any organization, group or individual can request an Air Force speaker. Typical forums include public meetings, conventions, seminars and corporate events.

If you are near an Air Force base or an Air National Guard or Air Force Reserve unit, we encourage you to contact that base/unit public affairs office. If you are not near an Air Force activity, please contact the Air Force National Civic Outreach Office at (312) 353-8300.

## How long will it take for my request to be filled?

The longer the lead time, the better chance there is to find a speaker for you. This is especially true for senior leaders whose schedules are worked months in advance. Other speakers may not need as much advance notice.

## Selected Topics

- ★ Acquisition and Procurement
- ★ Air Force Reserve
- ★ Air National Guard
